ORDER GRANTING PLAINTIFF'S MOTION
TO WAIVE PACER CHARGES

[Docket No. 51]

19 On April 29, 2008, plaintiff filed a document titled "Motion to Waive PACER Charges." A
20 court may, for good cause, exempt persons from the electronic public access fees, in order to avoid
21 unreasonable burdens and to promote access to necessary information.

22 Plaintiff was previously granted permission to use PACER and the court's e-filing system.
23 He states that so far he has not been billed because his limited use of the system has resulted in less
24 than \$10 in charges. However, he intends to continue to use the system in conjunction with his
25 pursuit of his claims and anticipates his use may exceed \$10. He states that his income, based solely
26 on his disability benefits, is extremely limited.

27 Plaintiff's motion demonstrates that it would be an unreasonable burden for him to pay
28 PACER fees and that it would promote public access to electronic court docket information if he

1 were permitted to use the PACER system without charge. Accordingly, the court exempts plaintiff
2 from electronic public access fees for using PACER to prosecute his claims in Sheikh v. Cisco
3 Systems, Case No. 07-00262-RMW.

4 To ensure that he is not billed to use the PACER system, plaintiff must be sure to send a
5 copy of this order to: PACER Service Center, P.O. Box 780549, San Antonio, Texas, 78278-0549.
